SENSOR APPARATUS AND METHODS

**3<sup>RD</sup> CORRECTION TO AMENDMENT DATED SEPTEMBER 8, 2004**

Hon. Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

S I R:

Your Office Action of March 1, 2005, was responded to upon receipt by a correction that was faxed on March 7<sup>th</sup> and followed up by a telephone call intended to make certain that the fax was properly transmitted. It was not until more than two months later [May 20<sup>th</sup>] that I received your notice of May 17<sup>th</sup> stating that parts of the faxed pages are illegible. I am accordingly retransmitting the following five pages and am sending them to you by first class mail.

Respectfully submitted by,
